CUBANA'S RUM COLLECTION EDITION III

CUBANA'S NEW RUM COLLECTION BOASTS OVER 305 FABULOUS RUMS

It's taken four years of research, tips the scales at 21,000 words and now lists 305 hand-picked varieties. We are pleased to announce that Cubana's latest rum collection (edition III) has just been unveiled and is the talk of the industry!

The acclaimed, founder of the world's first Rum festival and respected **GLOBAL RUM AMBASSADOR IAN. A. V. BURRELL** commented that Cubana now has

"one of the world's best rum menus and rum lists"

adding that we undoubtedly

"have the most comprehensive list with full tasting notes and full bottles in the country"

- we're delighted to have received such high praise from Mr Rum himself!

Of course we've plenty of rums from all around Cuba and Latin America but our vast range extends from as close as Sheffield to as far as India and literally all over the world, all handpicked for their individual characteristics and historical value.

Our knowledgeable bartenders will be more than happy to help you choose the perfect tot!

PLEASE ASK ONE OF OUR STAFF TO SEE THE RUM COLLECTION.
