DELICIOUS, MOUTH-WATERING TAPAS...

Pulpo a la Gallega
– Cubana's new,
popular grilled
Octopus dish

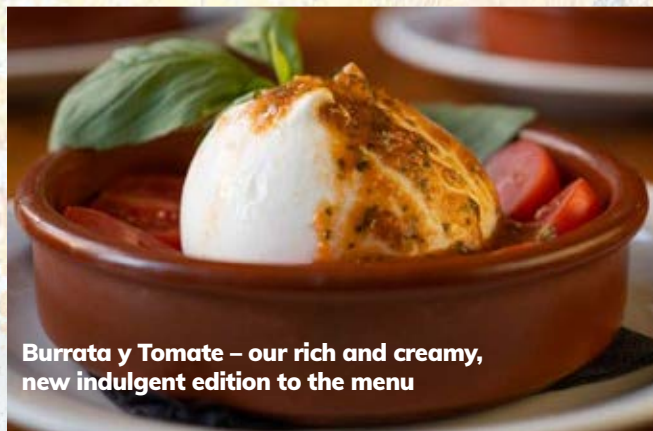

Pescado Rojo –
delicious fresh
Red Mullet served
on a warm
potato salad

Paella Mariscos – our expertly
prepared seafood paella

Empanada de champiñones y queso feta – filled
with wild mushroom, feta cheese and spinach

Burrata y Tomate – our rich and creamy,
new indulgent edition to the menu

> OUR TAPAS

Our team of talented chefs and ready and waiting staff to cook and serve you, a selection of over 40 mouth-watering dishes from our varied and authentic tapas menu.

One of the highlights of our latest tapas menu is the emphasis on fresh seafood. Newbie delights include the **'Pulpo A La Gallega'** – succulent grilled octopus accompanied by marinated sliced new potatoes, smoked paprika and olive oil.

You'll want to try our **'Buñuelos de Bacalao'** – crispy, deep fried salted cod and potato fritters served with a refreshing side of lime and coriander mayonnaise. And there's the **'Pescado Rojo'**, Pan roasted red mullet served on a warm potato salad and finished with a cucumber and lime salsa.

These three new fish dishes perfectly complement the ever popular **'Paella Mariscos'**, our seafood paella expertly prepared and served in a traditional pan at your table, and has become a true favourite among our local Latin community.

For those who savor rich, slow cooked flavours, **'Res y Frijoles Negros'** offers tender beef and black beans infused with cumin onions and garlic. And two new lovely vegetarian additions our menu are the **'Empanada de Champiñones y Queso Feta'**, Empanada pastry, filled with wild mushroom, feta cheese and spinach, deep fried and the **'Burrata y Tomate'** - soft creamy cheese made from Buffalo milk, mozzarella and cream finished with cherry tomatoes and a basil emulsion.
